HAPPY HOLIDAYS FROM CYBER-SENIORS!

Fall Season Recap

It's been a busy Fall season for Cyber-Seniors and we're excited about the many exciting opportunities that lie ahead in 2018!

We would like to take this opportunity to recognize the generous support we received during the past year from two organizations that recognise the value of Cyber-Seniors on older adults, youth and communities at large.

Recognizing the positive impact Cyber-Seniors has on the health and wellness of older adults Blue Cross Blue Shield Minnesota financed the completion of our new online web portal, containing hundreds of resources and advanced functionality. We are just completing the beta-testing phase and are preparing for an
We would also like to take this opportunity to thank Best Buy Foundation for providing us with financial support and the opportunity to partner with several of their Best Buy Teen Tech Centers to hold intergenerational tech training workshops & youth mentor training seminars in the following communities:

- Jersey Art Exchange, NJ
- LA EXPO, California
- Bresee Foundation, California
- San Antonio Family Services, Texas
- Alternatives in Action, California

Holiday Giving

Consider giving a Cyber-Seniors membership to the special people in your life. For older adults Cyber-Seniors is a great way to stay connected to friends, family and community. And for young people Cyber-Seniors helps build resume and gain beneficial volunteer/work experience.

Cyber-Seniors also offers a group membership for schools, senior centers, faith-organizations, etc. Its impact will last far beyond the holiday season and will benefit your entire community. To learn more, visit www.cyberseniors.org
