

Greetings!

We are excited to inform you that the 'Special Edition 3-Disc Set' of *Cyber-Seniors* (with public performance license) is now available to purchase off our website.

This set includes both a 52 min and 74 min version of the film, as well as a Discussion/Activity Guide and DVD on important and timely themes, including:

- Dispelling Ageism
- Youth Volunteerism and Community Service
- Bridging the Generation Gap
- Cyber-Safety and Etiquette, and much more!

Our hope is that this film will find its way into schools, libraries, retirement communities, and other public institutions enabling people of all ages to witness the wonderful things that can happen when generation gaps are bridged and new ways of connecting are explored.

The filmmakers and participants from the film are also available to attend screenings and/or provide a presentation at events using clips from the film. Have a look at some of our [past events and media coverage](#).

This package can be purchased from our [website](#) or if you wish to speak to someone from our team please feel free to call us at 1-844-217-3057.

Volume discounts are available, as well as special pricing for organizations/individuals who are involved in bringing Cyber-Seniors to their community.
