

# Cyber-Seniors Sponsorship Package

## SPONSORSHIP OPPORTUNITIES

**Build goodwill and positive brand association for your company, while helping to narrow the digital divide and build a pipeline of talent for some of the most in-demand jobs of the next decade.**

Founded in 2015, by the creators of the award-winning documentary film CYBER-SENIORS, this non-profit organization provides aging adults with tech-training using an intergenerational, youth volunteer model. High school, university and college students receive training to act as digital mentors and senior citizens gain access to effective technology training and intergenerational communities that keep them socially connected and engaged.

### Our Reach

Cyber-Seniors delivers up to 15 webinars and over 70 one-on-one tech-support sessions with senior citizens each week - all free of charge. Approximately 400 unique seniors and 100 young people participate weekly in our programs, and over 1800 individuals tune-in to watch previously recorded webinars weekly. In 2020, we engaged over 8,500 seniors who partook in over 26,000 tech training sessions and over 1,500 young people who provided in excess of 5,000 volunteer hours. Our growth rate of senior and youth participants is approximately 3% per week.

We have a dedicated social media following of:

- ⇒ >5200 Facebook Followers
- ⇒ >2600 Twitter Followers
- ⇒ >1100 Instagram Followers
- ⇒ >2539 YouTube Subscribers
- ⇒ >3000 Newsletter Subscribers
- ⇒ And each week we welcome >1700 Website Visitors

### Sponsorship Opportunities

With a growing and focused audience of both young people and older adults, supporting Cyber-Seniors through sponsorship opportunities strengthen our organization, and provides a good Return on Investment for companies who market their products and services to these distinct demographic groups. Below are some ways your organization can help. If you don't see what you are looking for, let us know. We are happy to structure a sponsorship that best meets your needs and interests.
